

Anderson Packaging, Inc.

AmerisourceBergen® Packaging Group

Global Clinical Trial Services

Providing contract packaging services since 1967, Anderson is a leading supplier of global clinical packaging services to the pharmaceutical industry. Anderson's attention to detail and commitment to customer satisfaction are key reasons we are a preferred supplier to the world's most successful pharmaceutical firms. Based in Rockford, Illinois, Anderson operates state-of-the-art facilities and features an expertly trained support staff. We support packaging and distribution services globally, working in close collaboration with Brecon Pharmaceuticals in Hay-on-Wye, Wales, in the United Kingdom to provide seamless clinical services across continents.
